

2.4 Eligibility:

- a.) World Triathlon World Championships and World Para triathlon Series: athletes must have a "Review" (R), "Fixed Review Date" (FRD) or "Confirmed" (C) classification status on the World Triathlon Classification Master List at the time of the production of the start lists.
- b.) For all other World Triathlon Para triathlon events, Athletes must have a "Provisional Classification Status" (PCS), "Review" (R) or "Confirmed" (C) classification status at the time of the production of the start list or if entered as "New" (N) or "Provisional Competition Status" (PCR), must undergo classification if available at the event.

2.5 Start lists and wait lists will follow the general procedures.

- a.) The following exceptions will apply:
 - (i) Two wait lists (one for men, one for women) including all classes athletes will be prepared and sorted by points in the World Triathlon Para triathlon Ranking for athletes who cannot be selected according to the quota distribution (either Medal Event or National Federation). Athletes without points will be sorted one per NF in alphabetical order of the NOC code starting by the host NF.
 - (ii) The maximum National Federations' quotas may be exceeded if all the athletes in the same gender waiting list are exceeding the National Federation quota. The acceptance of athletes exceeding the National Federation quota for that gender will follow the order of 1 athlete per National Federation, according to the order in the waiting list.
 - (iii) Vacancies happening in the start list will from an specific medal event before the race is numbered will be filled with athletes in the waiting list as follows:
 - (1) By same medal event athletes, if they do not exceed the NF quota, according to the wait list order.
If there is none:
 - (2) 2 - By same gender and different class athletes if they do not exceed the NF quota. If there is a second vacancy, an athlete from another class will be selected. And so on for the third, fourth etc athletes. The order of the classes to select will be determined by the waiting list. Once athletes from all the classes have been approved in the start list a second athlete will be approved under the same principles.
If there is none:
 - (3) By same medal event athletes, even if they exceed the NF quota, according to the order in the waiting list.
In case there is none
 - (4) By same gender and different class athletes even if they exceed the NF quota. If there is a second vacancy, an athlete from another class will be selected. And so on for the third, fourth etc athletes. The order of the

classes to select will be determined by the waiting list. Once athletes from all the classes have been approved in the start list a second athlete will be approved under the same principles.

If there is none:

(5) By opposite gender athletes keeping the same principles indicated in 2 and in 4 above.

(iv) Vacancies happening in the start list will from an specific medal event after the race is numbered will be filled with athletes in the waiting list as follows:

(1) By same gender athletes not exceeding the NF quota, according to the waiting list order.

If there is none:

(2) By same gender athletes exceeding the NF quota, according to the waiting list order. If there is a second vacancy a different class will be selected as above.

If there is none

(3) By opposite gender athletes following the principles in 1 and 2 above.
